SAVE UP TO 75% ON PREMIUMS

Because of the security at authorized facilities like Guardian Vault, your valuables can be insured by SDBIC at substantially less cost than a homeowner's policy rider. What's more, with this coverage there's never a deductible.

INCREASING IS EASY

Coverage can be increased in \$5,000 increments. There are no forms to fill out, and no appraisals or receipts are needed to start coverage. Just visit or call your Guardian Vault facility to request the level of coverage you need. Payment will be conveniently added to your storage unit rent.

Keeping valuables in your home makes you vulnerable, and home safes make you a target for criminals. Keep your valuables in a vault facility instead.

Covered events include:

- Theft
- Fire
- Flood
- All Natural Disasters
- Terrorist Attacks
- And Much More
